**REFERENCE:**

OGC-LD-2001-50617

1. (AIUO) Reference advised that OGC requests a records search for any and all information regarding an alleged contract or plot on Edward I. Koch's life during the time period 1976 - 1978.

2. (AIUO) In response to this request, the DCI's Action Center (DAC), formerly known as the Executive Registry, and the Office of Congressional Affairs (OCA) were tasked to conduct complete and reasonable records searches that would reasonably be calculated to locate any responsive documents. No documents responsive to this request were located by either office.

3. (U) This completes DCI/IRO action on this matter. If you have any questions, please give me a call on [redacted] (secure).
